

**UNIVERSITY OF KANSAS
WATKINS HEALTH SERVICES
ADMINISTRATION**

NUMBER: AD-020	ISSUE DATE: 01/2001
TITLE: Revenue	REVISED: 3/2016; 6/2021
TITLE OF OWNER: Director	APPROVED: <i>Ellen Herman</i> Director

PURPOSE: To provide sufficient financial resources to fund the operations of Watkins Health Services (WHS).

POLICY: WHS is an auxiliary service of the University of Kansas. Consequently, all sources of revenue must be self-generated. The sources of revenue are:

1. Student Health Fee
 - All students taking six or more credit hours during the spring and/ or fall semester are required to pay the health fee which is bundled with the mandatory campus fees. Students taking less than six hours will pay a pro-rated amount.
 - All students taking four or more credit hours during summer school are required to pay the health fee. Student taking less than four hours will pay a pro-rated amount.
 - Refer to policy AD-015 for additional explanation of how the health fee is assessed by WHS.

2. Fee for Service
Fees are charged for medicine and procedures, laboratory tests, pharmaceuticals, physical therapy (when available), radiology, copies of medical records, medical supplies and devices. Refer to policy AD-024 for an explanation of how the Fee Schedule is maintained.

3. Endowments
WHS is occasionally the benefactor of donations and/or bequests. These funds are administered and monitored by the University's Endowment Association.

4. Research/Grants
WHS will seek funding opportunities offered by outside organizations. All funding associated with these programs will be administered and monitored by the University's Office of Institutional Research and Planning.
