PURPOSE:
To provide student participation in the operation of Student Health Services

POLICY:
The Student Health Advisory Board is appointed by the President of the Student Senate.

PROCEDURES:
SHAB will:
A. Review the annual budget for the Student Health Services
B. Recommend any change in the Student Health Fee to the Student Senate
C. Conducts periodic student satisfaction surveys
D. Undertakes any other project relating to the health center that is deemed appropriate by the SHAB and Health Center Administration
E. Participate in at least one health promotion activity per year.
F. Participate, as necessary, in any standing committee

The administration of SHS works closely with SHAB in order to provide timely information and advice.
